Armed Forces Hostess Association

Providing Information and Service since 1949

History

AFHA has been “in business” since 1949. Originally known as the Army Hostess Association, it was founded by three Army officers’ wives at the suggestion of General Omar Bradley and with the cooperation of Major General Hobart R. Gay, the Commanding General, Military District of Washington. After several months, when other Service wives joined the effort, the name was changed to the Armed Forces Hostess Association (AFHA).

Who we are

AFHA is an all volunteer group of retirees and military spouses representing all five of the Armed Services. AFHA is recognized by the Department of the Defense under the Office of the Secretary of the Army.

Who we help

Our services are available to officers and enlisted personnel of all branches of the Armed Services, authorized civilian personnel and their families.

Services

AFHA delivers the most complete unclassified information to members and families facing transfers to OVERSEAS as well as CONUS assignments. In addition, we provide informative welcome packets for newcomers to the Washington area. Information is available at our office in the Pentagon on schools, camps, and tours (local and national). Many files are maintained on consumer issues as well. Every question receives prompt and careful attention.

How can we help you?

If you are interested in volunteering with AFHA, please let us know. We ask only that you be willing to work in our office at the Pentagon 2 days per month. Our office hours are 9:30 a.m. to 2:30 p.m.. Parking pass will be provided. Please join us in our efforts to make life a little easier for those who serve our country. We can promise you a worthwhile and rewarding experience!
